О НАС | ABOUT US

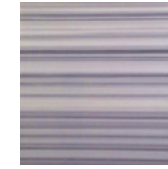

ООО «Натурэлташ» является одним из ведущих экспортеров и производителей натурального камня в Турции с двадцатилетним опытом. В ассортименте различные виды травертина, мрамора, известняка, мозаики, оникса, гранита. Также широко используется технология гидроабразивной резки. Результаты деятельности компании представлены в различных проектах: гостиницы, загородные дома, бизнес-центры, виллы, вентиляционные фасады и т. д.

Natureltaş Limited Company is one of the leading natural stone producers and exporters in Turkey with 20 years' experience. There is a great variety of travertine, marble, limestone tiles, mosaics, onyx, granite we work with. Also the waterjet technology is widely used. The company's portfolio consists of different projects: hotels, holiday villages, business centers, villas, ventilating facades and etc.
